NAB&B is luxurious fully self contained accommodation in the historical National Bank building in Boort, Northern Victoria. We've kept the old school charm of the building with pressed tin ceilings and exposed brick and combined it with modern luxury. Situated in the main street within walking distance to Little Lake Boort, shops, pubs, cafés and sporting clubs.

NAB&B sleeps 8 over 3 bedrooms, bedroom one with a king bed, bedroom two a queen bed and bedroom three with two single bunks. A fully equipped kitchen with coffee machine, spacious lounge and dining room and full bathroom and laundry.
