Cyclist ride from Echuca to Port fairy in 24 hours, and logos are noticed by traffic. Many comments have been made in past years regarding the logos at the Boort stopover and the Port Fairy finish. This is a fantastic way to be recognised by the public.

This sponsorship request is about putting your name/s out into the public arena, and sponsorship to a significant organisation like Boort district health places you in a favourable position with the community.

We urge you to give this request of sponsorship serious consideration, and become part of the rural community

MURRAY TO MOYNE BICYCLE CHALLENGE 2012

SATURDAY 31ST MARCH -
SUNDAY 1ST APRIL 2012

Murray to Moyne Fundraiser

On the 31st of March 2012, the Boort District Health Cycling Team led by local doctor Ashraf Takla will take the challenge of the 530km in 24 hours Murray to Moyne endurance bicycle ride for the fourth year running.

All proceeds are donated to Boort District Health. The monies raised from this event will be used to purchase Advanced Emergency Equipment which will benefit the Boort local and surrounding communities who visit the hospital for treatment.

Our mission this year is to raise \$20,000.

In the past, the monies raised from participating in the Murray to Moyne has allowed the hospital to purchase a sophisticated mobile testing laboratory (I-stat) at \$16,000, an ultrasound scanner at \$35,000. Emergency breathing equipment (CPAP) at \$2,500 and a blood analyser at \$12,500.

Sponsorship Request

- For donations of \$5000 or more you would receive **MAJOR SPONSOR STATUS** giving full naming rights (logo on all publications, posters, significant riders jersey logo, display banner at Boort stopover (sponsor would have to supply own banner)).
- Donations of \$1000 or more would attract a logo on the Guernsey (please supply if sponsoring), naming on the public posters and all literature, and announced at the popular Boort stopover (if banner supplied this would also be displayed).
- Donations from \$500 - \$1000 would receive naming on the public poster and any literature, name on sponsorship list for public display.

All other contributions are gratefully accepted and sponsors are recognised

2011 Murray to Moyne cyclists
